HAPPY - An Art Extravaganza Let's get HAPPY!

With a plenitude of unhappy events unfolding in the world in 2015, we at 19 Karen Contemporary Artspace wanted to celebrate the positive and create a happy vibe in 2016, and what better way than to ask our artists what makes them HAPPY.

Welcome to HAPPY - our latest group show - a bright, upbeat offering in a world that is sometimes a little dark. Over 45 International and Australian artists were asked to participate in this exciting group show.

Our artists at 19 Karen have created a work around what makes them happy, and hopefully in the process will bring a little happiness to us all.

We will be bringing this happiness to the Sofitel Gold Coast Broadbeach - an amazing venue for an amazing show - with our grand opening event on Friday 13th starting at 6pm.

Let's make this Black Friday anything but...
Dress bright, dress colourful and let's get HAPPY!
